

SDG issues are Fixed by Developer

1. FAQ is added in master so that we can upload it by master by our own.
2. Contact us is added in master.
3. Reports>>district SDG status report page is made dynamic so that we can download the excel sheet or pdf of any district.
4. Latest news is showing sequence wise now.
5. Indicator framework>>District indicator framework, page is changed now.
6. AKAM (azadi ka amrit mahotsav) logo is placed in the footer.
7. SDG index dashboard>>Rajasthan index>>financial year is showing along with their districts and goal wise now.
8. 17th goal are showing above with all other goals on every goal page, previously this was showing below.
9. Hon'ble CM and Hon'ble Planning minister photo is also showing on home page.
10. Hand book links are there now.
11. Audio and video gallery links are there now.
12. District SDG status report is added in master so that we can upload it by master by our own.
13. Reports>>District SDG status report>> page is on live now with their pdf and excel link.
14. Photo gallery page is there now (under testing on staging)
15. SDG index dashboard >>fin. Year is corrected before they are showing wrong years.
16. Active , Inactive check boxes are working on session page now
17. Delete option is also there on session page now.
18. SSO integration is done on staging (under testing for the live).
19. Contact Us>>Nodal officer page has been changed.

20. Nodal officer details has been added on home page.
21. Cheernjivi logo has been added on home page.
22. Inactive functionality is working while we create new user like admin, NO, FPO.
23. Nodal officer details are dynamic now.
24. Contact Us: State level is displaying on first position then district level is showing
25. Reports>> District Status SDG report: All images are showing in same resolution now.

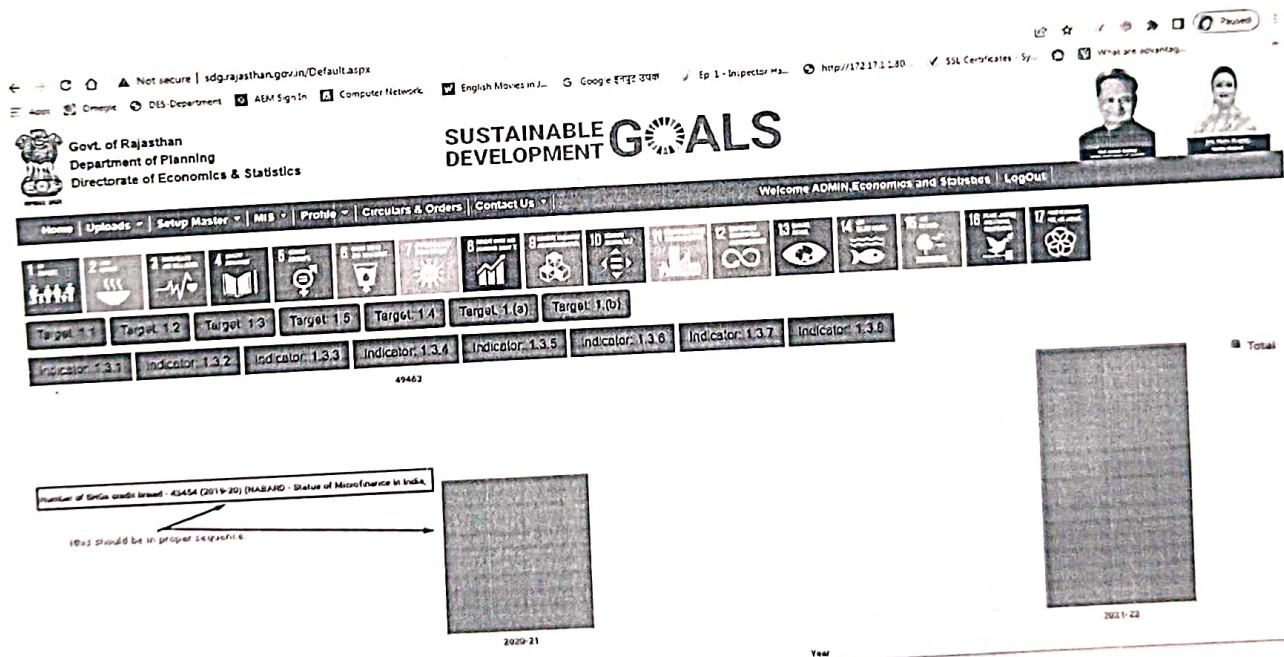

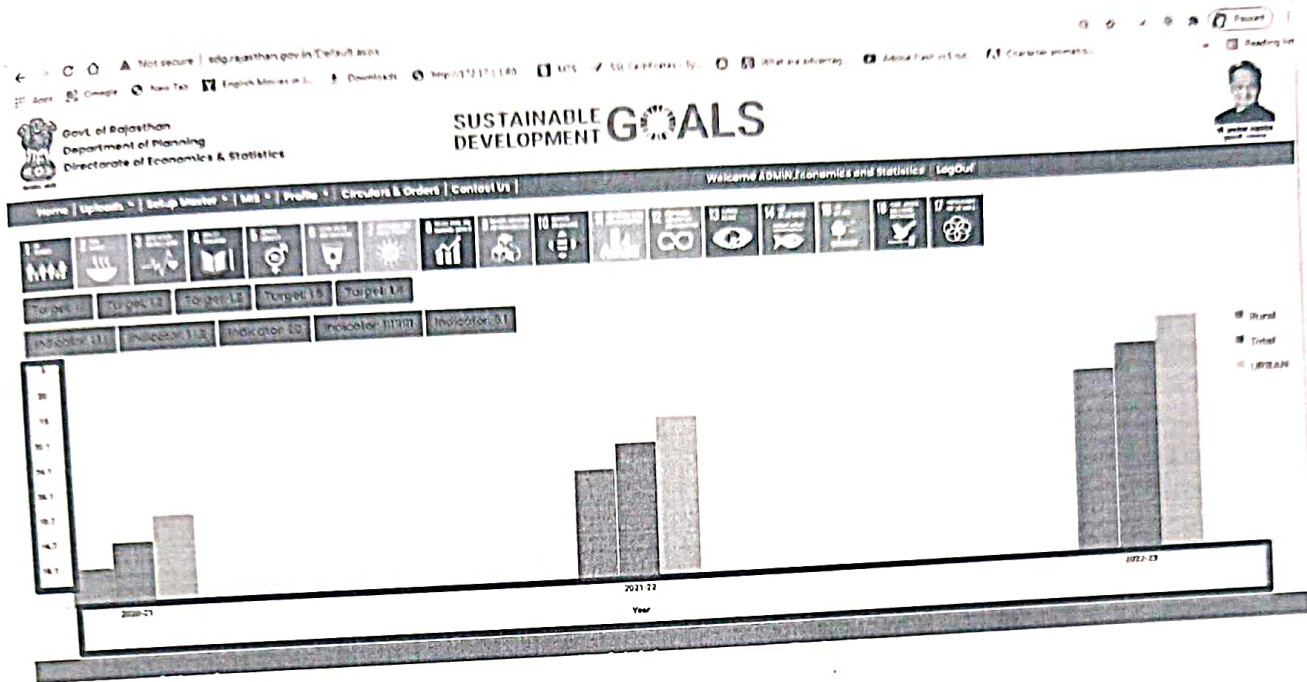

Enhancements/Issues to be done after discussion:

3. Graph wise data should be shown on the portal.
4. Indicators should be changed and reports format of the SDG portal now has been changed , So this needs to be done.
5. Sliding photos should be there on SDG portal home page.
6. Link of sdg2.dashboard should be there on home page.
7. Admin की ओर से Priority Indicators में Mapped, Schematic indicator को संबंधित विभाग से Map करना है। परन्तु Mapping करते समय input format में department select करने का कोई option नहीं हैं एवं schematic Indicators स्वतः ही National Indicator से संबद्ध विभाग से map हो रहा है।
8. विभागों के Focal Point officer और Nodal officer की ID से login करने पर सभी गोल प्रदर्शित हो रहे है, जिससे विभाग स्तर से संबंधित संकेतक को खोज पाने में समस्याएं आ रही है।
9. वर्ष 2022 में राजस्थान स्टेट इंडिकेटर फ्रेमवर्क के आधार पर तैयार की जाने वाली रिपोर्ट की डेटा एंट्री के संबंध में इनपुट व आउटपुट फारमेट सही नहीं है। SDG सेल द्वारा Dynamic report पर चर्चा की गयी(ref Rajasthan SDGs Status Report-

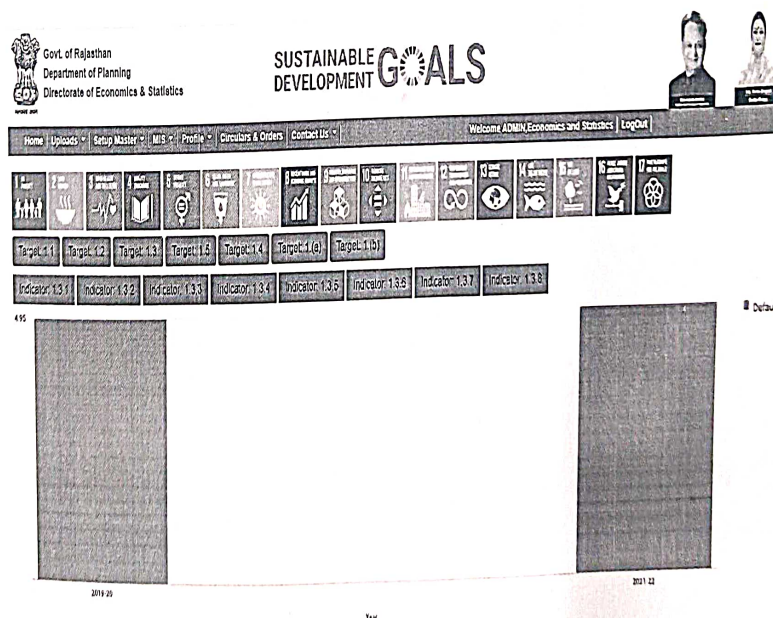

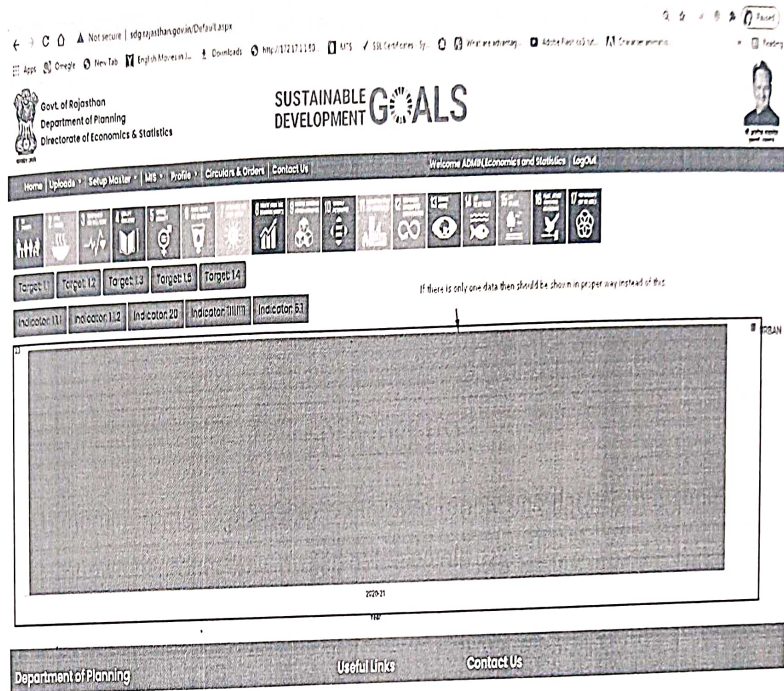

2022 (Ver.-4.0) page 12) जिसके लिए आवश्यक input and filter based report तैयार की जानी है।

10. पोर्टल पर राजस्थान सतत विकास लक्ष्य सूचकांकों का राज्य के मैप पर जिलेवार, गोलवार एवं संकेतवार कलर कोडिंग के साथ प्रदर्शित करने की व्यवस्था की जाये।

SDG WORK LIST

1. Admin Home page>>Graph>> if there is only one data then it should be shown in proper way instead of the whole page .

2. Admin login>>home>>goals>>graph, There should be a proper sequence in a graph in X axis and y-axis . This is showing the internal data as X-Axis.this should be in a proper sequence.
